Pre-Reading Activity

Tell students that they are going to listen to a story about the magic of a library. Ask students if they have ever been to the library. As a class, discuss why someone might go to the library. Talk about what magic might “unlock” when you go to the library.

Post-Reading Activity

In this story, Piper learns that the library holds many of her favorite books and new books. As a class, create a list of students' favorite books. In partners, have students celebrate their favorite book by giving a short book talk. Tell them to consider:

- The characters and setting of the book
- Any major plot points in the story
- Sharing opinions and/or recommendations for similar books
